Most of us have had the enjoyment of planning a special trip or journey. Generally, trips come to fruition one step at a time. We determine the destination, decide if we are inviting others to join us, pack our clothing, choose a few items for entertainment, select our menu or estimate a budget for meals, and begin the process of laying things out so we don't forget to pack them. After the trip we reminisce and celebrate the experience and begin making plans for the next trip.

Lent, in many ways, is also a journey taken one step at a time. Our “shoes,” of life, offer evidence of a journey well-traveled. Enter into this experience of prayer with the mindset and appreciation of the path underfoot.

Join Jane and Carolyn in an afternoon of prayer, contemplation, and reflection while “CROSS”ing through just a short segment of terrain in this season of Lent.
