

Sisters of St. Francis

Oldenburg, Indiana

Annual Report 2024

July 1, 2023 - June 30, 2024

“Let your way of life among the people be such that whoever sees or hears you will glorify and praise our Heavenly Father.” - St. Francis of Assisi

Another Chapter Completed..

In April 2024, the Sisters gathered for Chapter, which is a week of governing sessions that set the direction for the Community of Sisters, Associates, and Leadership. The last Chapter held was in 2018.

The members prepared for this with a year-long study of issues currently relevant to the Community while factoring in changing times. There was also much discernment prior to and during Chapter.

Chapter began with an Opening Liturgy, prayer, and a reflection that focused on the heart of the Chapter. This year's theme was "Hope to Seek, Love to Endure," which is an excerpt from the Epilogue of the Sisters' Vision and Journey (the spiritual document which guides the Sisters lives, and embraces the values of their founder Mother Theresa Hackelmeier).

Each day that followed in Chapter began with a welcome and a prayer.

Following that, the Sisters "got down to business." Different times call for different needs, and it is the mission of the Sisters to continue to meet the needs of the people either through mission or prayer. It was also a time to reflect on the needs of the Sisters, as they continue to serve others while being part of an aging Community, as well as a time to reflect on the financial resources and stability of the Sisters.

This year's Chapter focused on sustainability, future governance of the Community, supporting Franciscan vocations, and reaffirming the Associate relationship.

Chapter was also a time to elect a new Leadership Team, which consists of four members. This new team will lend their time, knowledge, and understanding to guide the Community to meet the goals set forward in Chapter, as well as handle any needs or situations that come up during their term.

Meet the new Leadership Team on page 29.

A Word From Our Leadership Team

These are exciting times for our Community as we celebrated a significant event this past April. Sisters and Associates gathered for a week of Chapter to discern our future direction over the next 5 years and beyond. Our final days of the Chapter was calling forth women to lead us into the future and to guide us in the implementation of our Chapter 2024 directives. It is humbling to once again to serve as Congregational Minister (this is my second time as Congregational Minister and third time on the Leadership Team), along with Sisters Robbie Pentecost, Susan Marie Pleiss, and Maggie Rahe. We trust in our loving God to bless us with the grace of the office as we embark on this leadership journey. Our primary focus will be to work in partnership with others to fulfill our Chapter mandates.

As Sisters of St. Francis, Oldenburg, we recommit ourselves to embracing the values of Mother Theresa Hacklemeier, as stated in Vision and Journey, (our constitution) in paragraph 30: "fidelity to the Gospel, meeting the needs of people, enabling others to reach their full human potential, a spirit of collaboration in ministry, and reverence for community and each Sister."

Attentive to the radically changing needs in our 21st century world, we recognize our call to live our mission with intensity and innovation. We acknowledge, too, that the Spirit is calling us to use our spiritual, human, and temporal assets in service to the universe, thus freeing us to enter more fully into our mission of prayer, presence and service with "faith to dare, hope to seek, love to endure, courage to venture."

We recognize in a spirit of gratitude that YOU, our generous benefactors, are key in helping us achieve long-term sustainability. Thank you for YOUR on-going financial support, as together we offer prayer and the Gospel message of God's love to those we meet along the way, and those that may never cross our path.

I invite you to come visit us and join us in prayer, especially during our Sunday Liturgies at 9:30 AM. May our loving God bless you and your loved ones in gratitude for all you are and do to make a difference in the lives and mission of our Sisters.

Blessings,

S. Maureen Irvin, OSF

S. Maureen Irvin, Congregational Minister

MISSION STATEMENT:

"We, the Sisters of the Third Order Regular of St. Francis, Oldenburg, are women of prayer, committed to the Gospel values as lived by St. Francis and Mother Theresa Hackelmeier. From our life in community we are sent to extend the mission of Jesus through our presence and service. Enlivened by a spirit of justice, reconciliation and peace, we collaborate with others in responding to the needs of the world."

We fulfill these words by being women of prayer in the ministries we do and the places where we are present. We minister in education, parish ministry, social service, healthcare and social justice.

A Word From Our Director of Advancement

Recognition of Donors July 1, 2023 ~ June 30, 2024

New Faces...Same Mission!

My name is Jen Waning. I am new to Oldenburg, but I am no stranger to the amazing mission and work of our Sisters! I am from Cincinnati, attending Roger Bacon High School and Marian (College) University. My thirty-year career found me in the financial services field, higher education, and nonprofit organizations, including ten years at Marian University. The opportunity to work on behalf of the Sisters of St. Francis was impossible to pass up and I am honored and humbled to be the Director of Advancement. An incredible team surrounds me to support our donors. Melinda Starkey leads our marketing and communication efforts; she is the designer of our publications, the storyteller of our Sisters' stories, and photographer. Grace Vanderbur is our Advancement Coordinator; she manages our data entry, donation processing, event planning and grants research. S. Therese Gillman is our grant writer and administrator, and we are grateful to have her expertise in our department. My goal over the next year is to meet and thank you, our most loyal donors, for your continued support. I look forward to talking to you by phone, email, or meeting you for coffee or lunch. I want to hear about your connection with us and why you love and support our Sisters. I appreciate your continued generosity to our beloved Sisters. Please do not hesitate to contact me; I can be reached at 812-933-6554 or at jwaning@oldenburgosf.com.

Shining a Light on Our Missions

"Each of us is a mission to the world, for each of us is the fruit of God's love." - Pope Francis

On June 15, 2024, Sisters and Associates gathered to receive their mission cards for the year. While the missions they are given that day are already known to them, the ceremony allows for a time of reflection of their past year's ministry and includes a blessing of their current mission. The cards are a daily reminder of the ministry they are called to live the mission of love and compassion; to share the light within them wherever they are.

As many of the Sisters have aged and are physically unable to have an active mission outside of or at the Motherhouse, their mission is that of prayer, presence and suffering. Our Sisters pray daily for each other, for our donors, for those in need, for our country and for the world. Prayer is such an important part of each Sister's life, whether here or within their ministry.

"We Oldenburg Franciscan Sisters, first and foremost, are women of prayer. And to be able to share that gift of prayer that we have been given now with our donors has been such a blessing for me. I try to find words in prayer that will help assure the donor of God's undying love for each one of us...My faith, now shared, inspires me also." - S. Rose Lima

A celebration of our Outgoing Leadership Team...

The Community gathered together in June to recognize the accomplishments and leadership of the outgoing Council members.

During this time, there was singing, tributes, a little bit of ribbing, and a lot of fun. Each Sister was thanked with a small gift and a basket of cards from the Community that will probably take them the remainder of the year to read. This was followed by a reception in the dining room.

This team was together from 2018-2024 and their accomplishments were many. You can read more about these in the Spring Celebrate, found online at www.oldenburgfranciscan.org.

We wish them the best of luck as they go into their new endeavors (as pictured L to R): S. Delouis Menges has returned to Cincinnati to be Campus Minister and Religion Teacher at St. Veronica School; S. Christa Franzer will do part-time work here at the Motherhouse in the Finance Department; S. Barb Leonhard will be taking on Ongoing Formation in addition to returning to spiritual direction and retreat ministry; S. Annette Grisley will be interning to take over the role of Liturgy Coordinator.

Thank You!

The Sisters of St. Francis in Oldenburg lead a life deeply rooted in community and spirituality, committing to living out the Gospel values in every aspect of their lives. Their community life is characterized by:

Prayer and Worship: Daily communal prayers and participation in the Eucharist are central to their spiritual life.

Living Simply: Inspired by St. Francis, they embrace a lifestyle of simplicity and humility. This includes sharing resources, living sustainably, and being mindful of their impact on the environment.

Service and Outreach: The sisters are actively involved in various ministries.

Formation and Education: They place a strong emphasis on the ongoing formation and education of their members. This includes spiritual retreats, workshops, and opportunities for personal and professional growth.

Community Activities: The sisters engage in various community-building activities to foster a sense of belonging and support.

A Sister's Work is Never Done - What Retirement Means for Us...

Retirement for many is permanently leaving the workforce, taking time to travel, spending time on hobbies, or the opportunity to have no schedule. For many, the workforce is simply a job. For the Sisters, it is a way of life.

Many Sisters began their work in education, but some were also tasked with running a kitchen, house-keeping, or healthcare. No matter where their mission took them, they did it by sharing their knowledge and vision of the Franciscan values. When Sisters think of retiring, they are letting go of their normal to refocus and move forward, fulfilling their mission in another way.

Our Sisters say goodbye to the past and welcome the future in multiple ways; ministry in the Motherhouse, in the neighborhood, volunteering, or a time of reflection and reacquaintance with God on a different level. Each Sister prepares for that goodbye in different ways. All with prayer, some with imagining what the future will be, some by learning a new skill, and still others are being brought to retirement abruptly due to health. This often takes encouragement from each other – a confirmation that it is okay to let go and embrace what's next.

S. Barb Piller is currently in the transition period of retirement. She will be letting go of her role as Liturgy Coordinator but will continue with music and spiritual direction until her energy tells her otherwise. S. Barb thinks of S. Claire Whalen as her role model. S. Claire continues to be active in the outside community and within the Motherhouse at the age of 95. "Aging should be exciting, a time of giving life to others, and discovering until your energy will just no longer allow you to do so," according to S. Barb.

S. Bernice Roell considers herself fully retired. By that, she feels she is free of responsibility, and has time to look back and be grateful. "That keeps me looking forward," she states. When reflecting on the past, she feels she has more understanding and wisdom and a positive attitude toward others. Although she is fully retired, she still feels very capable and able to help with many situations. She still wants to be of service in any capacity she can. This can be anything from putting together Christmas baskets to helping transport Sisters to appointments.

The stories may be different, yet they are all living their mission. They are reaching for the same goal – to live the Gospel, to meet the needs of the people, to help people meet their potential, and to radiate joy.

Why is contributing to the Sister's retirement such an important and meaningful gift? Our Sisters often ministered in low-income areas, with a minimal stipend for their work. They went where they were called and where there was a need, with no consideration for money. Their needs are the same as the rest of us as they move into retirement: healthcare, skilled care, food and shelter, transportation and peace of mind. Your gifts to their retirement help make that a reality.

The Sisters value and appreciate every gift. As they find new ways to share their Franciscan values in their retirement, your gifts allow them to continue to focus on their mission, whatever that may be and whenever that time may come.

"In the spirit of Francis (and Clare) we continue the Gospel life we began in Baptism. Grounded in prayer, supported by community, we serve and work

in love, speaking the Gospel Word in our time. In whatever we do, we enter with our own human brokenness into communion with others and speak a word of hope. We serve in love, respecting without distinction, each person we meet. Thus, we work toward the fullness of creation that is God's plan." - Vision and Journey

Meet the Leadership Team...

These Sisters have been elected to serve from July 1, 2024-June 30, 2029

"I hope we, as a community of Sisters and Associates, build stronger bonds of love and grow in our commitment to our mission and lives of contemplation." - S. Maureen Irvin

S. Maureen Irvin leads the Community as Congregational Minister. She grew up in Illinois and attended Immaculate Conception Academy (now Oldenburg Academy) for her high school years. She then went on to receive a BA in history at Marian College (University), and a master's in history at St. Louis University. S. Maureen's past missions included, but are not limited to, teaching elementary school and high school classes, Vocation Director, Justice and Peace Coordinator, and most recently as Director of Development here at Oldenburg.

"My greatest hope for this time of community leadership is to be a presence of HOPE. When everything around us looks like diminishment and loss I am hoping to help us as a community and individually to see opportunity, possibility, life in mission from a new lens." - S. Robbie Pentecost

S. Robbie Pentecost serves as First Councilor. She was born in Wisconsin, but spent her childhood in several states, including Ohio, Indiana, Arkansas, Michigan, Missouri and Kentucky. S. Robbie received a BS in Finance and Accounting at Missouri State University and then got her MBA from St. Louis University. Her missions were centered around Appalachia, with her latest role being Executive Director of New Opportunity School for Women, Berea, Kentucky.

"I hope to be able to live into this credo: confer with one another often; listen intentionally; and make decisions collectively. Of course, all this will be grounded in personal prayer and supported by all the prayers of our Sisters and Associates." - S. Susan Marie Pleiss

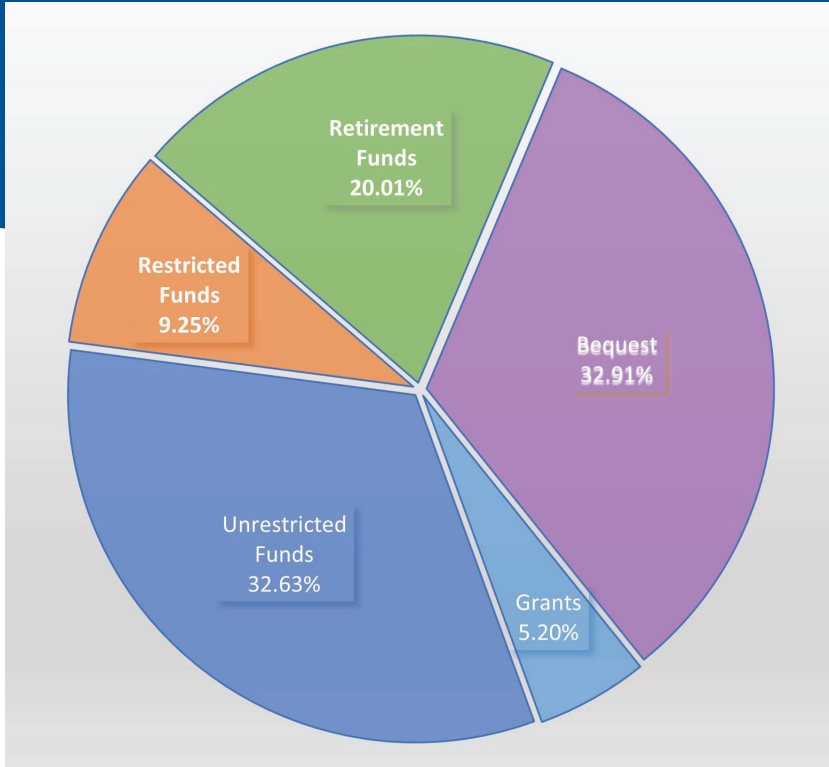

S. Susan Marie Pleiss serves as a Councilor. She attended school in Dayton, Ohio and continued her education with a BS in Civil Engineering from Purdue University and an MA in Missions/Intercultural Communication at Wheaton College Graduate School. Before coming to Oldenburg, S. Susan Marie worked as a telecommunications planning engineer in Seymour, Indiana, taught ESL (English as a Second Language) in China, was program director for an urban farm, and then worked at the Ronald McDonald House in Virginia. After entering, S. Susan Marie was Parish Life Director in Appalachia and then returned to Oldenburg in the office of On-Going and Initial Formation.

"I hope that we are open to the possibilities of our four direction statements, and that we work together with our community members to achieve these possibilities." - S. Maggie Rahe

S Maggie Rahe serves as a Councilor. A native of Batesville, S. Maggie attended St. Louis Elementary School and then Immaculate Conception High School (Oldenburg Academy). She received a BA in psychology and teaching from Marian College (University) and a MA in Counseling from the University of Dayton. She also went through a two-year program in Gerontology at Mt. St. Joseph College in Cincinnati. S. Maggie began as an elementary teacher, teaching mostly middle grades. She then began doing social work for the elderly, her latest endeavor being with Meals on Wheels of SW Ohio and N. Kentucky.
